

Stop roaming the city without knowing what to do with your children... “**Une mère, Une fille à Paris**” is done so that parents and their children could together or separately spend a pleasant time of relaxation and creative leisure.

**This innovative and family friendly concept-store offers three worlds:**

**A tea room**, convivial venue of exchanges "like at home",

**A toy-shop**,

**Two open-spaces**, dedicated to workshops and events for everybody.

## The Tea Room

Usually ordinary local Café or Tea rooms are not family-friendly. « *Une mère, une fille à Paris* » is a place dedicated to parents and grandparents coming with their children or grandchildren either for a lunch-break, a tea-party, or looking at the toy-shop, waiting for their child or grandchild, attending a workshop or a birthday party.

It is also a place where are held meetings with health professional such as pediatrician, speech therapist, mid-wife, psychologist, but also specific events.

## The Shop

The following toy's brands are available: JANOD, TROUSSELIER, GOKI, SCRATCH, and BARRUTOYS....

We also sell games for kids until 6 years old.

In today Mam's mind the secondhand purchase means to keep control of her personal consumption, to keep the lead and at lower cost.... That is why in 2014 -2015 « *Une mère, Une fille à Paris* » will organize 5 Sundays dedicated to barter where you can exchange branded clothing, toys, children's books, decorative items (look at “**News**” on our website to see the dates)

## The activities and workshops

- The workshops for children from 2 years old are supervised by professional teacher, cook, musician, graduates of child care, etc... and located inside a closed area separated from the shop.

- Enjoy an active birthday party for kids from 4 to 12 years old. Give them a fun craft project for their birthday! « *Une mère, Une fille à Paris* » offers workshops where kids can create items. Your little ones are fond of Pirates, Fairy tales, Spiderman? our coordinators will make it possible as well.

- You want to improve your skills in pastries, knitting, sewing, body-massage for your baby, watercolor, etc...workshops for adults are also available.

We hope that our motto, "**TAKING THE TIME TO...**" will become yours.
